

“Landslide”

Written by Natalie Marie Claro - BMI CAE/IPI # 779126799

Topic: A young woman’s internal battle, trying to understand her own attachment to a man she knows is not worthy of/good enough for her.

[VERSE]

I don’t like him
So why am I always worrying ‘bout him?
I’m out of his league
And he can’t even keep
A dollar up in his case

I don’t like him
(At least I didn’t)
Until I started gettin’ with him
It was only for fun
’Til I woke up in a
Different place

And if I liked him
(Which I don’t)
I’d be stupid for not knowing what I want
For getting caught up
In a random facade
I made up in my brain

So walk me off this cliff
Before I fall
Won’t let my heart
Summon to a call
That’s only a game

[CHORUS]

I’m stupid lately
Emotional crazy
Hangin’ on too strong
To anyone that comes along

I’d do anything
To value myself above everything

To walk out clean and proud
Not tumbling into a rain cloud

But after all, I'm still crawling
Up a landslide knocking me down
To the bottom

[VERSE]
Why do I always fall
For the worst types?
The ones that stay up drinking at night
Sleep in 'til the afternoon bites and

Why do I
Always fall for the wrong ones?
Without mercy or a conscience
I know I have to stay away
But then he calls me

Over and over
The days nearly shorten
The weeks turn to months
Feel I'm going under
There's no escape
And I can't erase
He won't let me
Grow from the space

I'm stuck on a runner
That just won't take off
I'm pacing and trying to
Learn from it all
It's getting old
But I want him so
Bad but I've been told

[CHORUS]
I'm stupid lately
Emotional crazy
Hangin' on too strong
To anyone that comes along

I'd do anything

To value myself above everything
To walk out clean and proud
Not tumbling into a rain cloud

But after all, I'm still crawling
Up a landslide knocking me down
To the bottom

INSTRUMENTAL

[BRIDGE]

I don't think
He truly knows me
If he did maybe he'd find me
Stop hurting what can't leave

[CHORUS]

But maybe I'm stupid lately
Emotional crazy
Hangin' on too strong
To anyone that comes along

I'd do anything
To value myself above everything
To walk out clean and proud
Not tumbling into a rain cloud

But after all, I'm still crawling
Up a landslide knocking me down
To the bottom
